

# The Complete Guide to Confident Homeschooling.

An introduction. How to approach this course.

PRESENTED BY

**Brett & Ellen**

## WELCOME

# For every family considering homeschooling.

Whether you're currently homeschooling, thinking about it, or just curious, this course is for you. We built it to bust the misconceptions and give the hundreds of thousands of families navigating this decision a clear, informative starting point.

## WHO WE ARE

---

**Brett Campbell.** Co-founder & CEO of Euka, father of two, currently homeschooling.

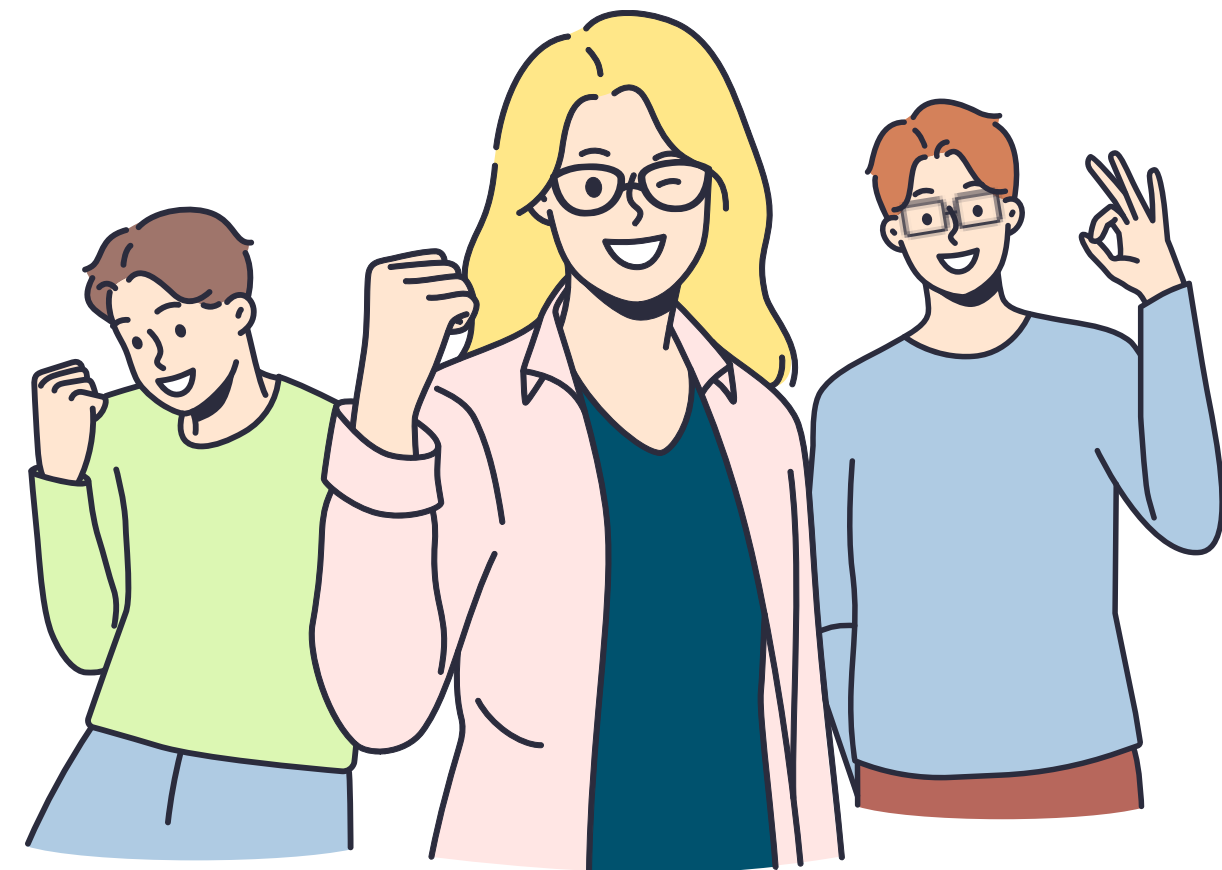

---

**Ellen Brown.** Founder & Head of Education, mother of five, over 20 years in education.

---

**Euka.** Australia's leading K-12 homeschooling provider, consulted by education departments and major networks, with university and college pathways across 80+ Australian institutions.

---

YOUR PACE, YOUR WAY

# Built with maximum flexibility.

Same philosophy we've built Euka with. Take this course however suits you.

**Binge it.** Watch the whole course now if that's how you work.

**A module a day.** Steady, with time to reflect between sessions.

**Click around.** Jump to the modules that matter most to you right now.

**Across nine modules** we cover every facet of homeschooling, from legal compliance to learning approaches to pathways beyond school.

#### A NOTE FROM BRETT & ELLEN

Whichever way you go, please pause when we ask the reflection questions. The best answers come from sitting with the best questions.
